ASSEMBLY INSTRUCTIONS FOR WALL CORNER CABINET WITH BI-FOLD DOOR

STEP 1

Assemble face frame together.

STEP 2

Assemble cabinet box.

STEP 3

This is the pre-drilled hole for the 90 degree metal clips. One on top and one on the bottom.

STEP 4

1 of 2 metal clips

Put box and face frame together and securing it by the 90 degree metal clips:

One metal clip goes on the bottom.

One metal clip goes on the top.

STEP 5

2nd metal clip

The metal clip attaches and secures the face frame and cabinet box together.

STEP 6

Secure the door (door to frame) with the short screw as seen in the picture.

STEP 7

This is a finished assembled WSQ cabinet.

PLEASE NOTE: if further instruction is needed, the cabinet box assembly will be the same as the lazy susan (LS3612) base cabinet.
