

Kitchen Remodel Checklist

General

- Design Style and Color Palette
- Textures and Patterns

Construction and Layout

- Open Concept, Galley Kitchen, or Closed Concept

If you want to take down walls, make sure to first have a contractor check if they're load bearing.

- Kitchen Island or Peninsula
- Flooring
- Backsplash
- Countertops
- Sink (e.g. Basin, Faucet, etc.)

Organization and Storage

- Cabinets
- Cabinet Hardware
- Pantry
- Trash Solution

Appliances

- Refrigerator
- Stove
- Exhaust Fan
- Oven
- Microwave
- _____
- _____
- _____

Think about other built-in appliances you may want like a coffee machine or wine fridge.

Decor

- Rugs
- Artwork
- Indoor Plants
- Shades or Curtains
- Light Fixtures
- Furniture (e.g. Countertop Seating)
